**HEADLINE:** Program for parents of teens offers helpful tips and techniques **(can create a more specific headline of your choice)**

**City, State, Date**– The power of respect, the impact of choices, and other issues facing our youth are the focus of *Raising our Teens: Bridging the Gap*, a dynamic presentation by nationally known speaker and author Ed Gerety being held on **Day, Date, the School location, address, city, state, Zip**.

Sponsored by **fill in blank**, this presentation offers a refreshing look at today's youth. A leading speaker and author on youth leadership in the United States, Ed will share techniques to break down the barriers and strengthen communication with our teens. Learn how respect, character, appreciation, leadership, and your attitude can make a difference when it comes to raising young people. Ed has shared this message with more than one million people throughout North America. He is the author of the popular book, *Combinations: Opening the Door to Student Leadership*.
